4/1/2022 · Justin from 65 Drums has an awesome video on how to connect your electronic kit to your computer, which I've linked below. Regarding libraries and samples, I love Addictive Drums 2 and GetGood Drums. With all samples and virtual instruments, they can be difficult to integrate with your kit because of the MIDI mappings. SONAR Professional. SONAR Professional complements a wealth of advanced features with a full set of professional effects and virtual instruments, including the acclaimed ProChannel Console Strip, Melodyne Essential with ARA integration, and Addictive Drums 2 Solo Edition.
