## GTA Vice City PC Cheats

### Cheat Codes

While playing the game or at the pause menu, enter one of the following codes to activate the corresponding cheat function. If you entered the code correctly, a message "Cheat Activated" will appear.

Result	Cheat Code
Health <b>[Note 1]</b>	aspirine
Armor	preciousprotection
Weapons (tier 1)	thugstools
Weapons (tier 2)	professionaltools
Weapons (tier 3)	nuttertools
Raise wanted level	youwonttakemealive
Lower wanted level	leavemealone
View media level when over two stars	chasestat
Better driving skills	gripiseverything
Dodo cars (flying) <b>[Note 2]</b>	comeflywithme
Rhino tank	panzer
Faster game clock	lifeispassingmeby
Faster game play	onspeed
Slower game play	booooooring
Destroy all cars	bigbang
Pedestrians riot	fightfightfight
Pedestrians attack you	nobodylikesme
Pedestrians have weapons	ourgodgivenrighttobeararms
Pedestrians enter your car	hopingirl
Change wheel size	loadsoflittlethings
Only wheels visible on cars	wheelsareallined
Bikini women with guns <b>[Note 3]</b>	chickswithguns
Heavy traffic	miamitraffic
Pink traffic	ahairdresserscar
Black traffic	iwantitpaintedblack

**mission passed!**

Grand Theft Auto IV: Episodes From Liberty City for Xbox 360 is a compilation of two expansion packs that add more missions, characters, and weapons to GTA IV. With the extra content comes new unlockables and cheat codes. The GTA: Episodes From Liberty City cheats are for the Xbox 360 version. There are separate cheats for Episodes From Liberty City on PC and the PS3 version. Lifewire / Bailey Mariner The two episodes are Grand Theft Auto IV: The Lost and the Damned and Grand Theft Auto IV: The Ballad of Gay Tony. Both episodes were originally released as DLC, but the Episodes From Liberty City collection doesn't require any downloads or an Xbox Network account to play. All cheats for Grand Theft Auto IV on Xbox 360 are also compatible with this edition of the game. Cheat codes can be entered as cell phone numbers. Previously entered cheats can be activated at any time from the cheats menu found on the phone. Many of these codes are the same as codes used in the original versions of Grand Theft Auto IV, The Lost and The Damned, and The Ballad of Gay Tony. A few new codes were added with this version as well. Cheat Code Effect 362-555-0100 Restore armor 482-555-0100 Restore health, armor, and ammo 267-555-0100 Decrease wanted level 267-555-0150 Increase wanted level 486-555-0100 Weapon set 1 486-555-0150 Weapon set 2 227-555-0147 Spawn Turismo (car) 227-555-0100 Spawn FIB Buffalo (car) 938-555-0150 Spawn Floater (boat) 359-555-2899 Spawn Buzzard (helicopter) 359-555-0100 Spawn Annihilator 227-555-0142 Spawn Cognoscenti (car) 227-555-0175 Spawn Comet (car) 938-555-0100 Spawn Jetmax (boat) 625-555-0100 Spawn NRG-900 (motorcycle) 625-555-0150 Spawn Sanchez (car) Cheat Code Effect 826-555-0150 Spawn Burrito 245-555-0125 Spawn Double T 245-555-0199 Spawn Hakuchou 245-555-0150 Spawn Hexer 245-555-0100 Spawn Innovation 826-555-0100 Spawn Slamvan Cheat Code Effect 625-555-0200 Spawn Akuma (motorcycle) 227-555-0168 Spawn Super GT (car) 359-555-7272 Spawn Parachute 938-555-0150 Spawn Floater (Boat) 625-555-3273 Spawn Vader (motorcycle) 227-555-9666 Spawn Bullet GT 272-555-8265 Spawn APC (tank) 468-555-0100 Randomly change the weather 486-555-2526 Enable exploding sniper rifle bullets 276-555-2666 Super punch Gameplay content of the DLC version of The Ballad of Gay Tony is identical to the Episodes From Liberty City disc content, and multiplayer features are compatible regardless of version. Due to Liberty City map updates, the Episodes From Liberty City version of The Lost and the Damned cannot be used to join multiplayer games with players using the older DLC version. Original radio music from Grand Theft Auto IV isn't included in Episodes From Liberty City, but the game includes new radio stations and music. Grand Theft Auto 6, or GTA 6, is still years off at best but given the popularity of the franchise, it's no wonder that eager fans are already hungry for any information.The last GTA title, Grand Theft Auto 5, has sold over 160 million copies, making it one of the most successful games of all time. However, it came out in 2013, so it makes sense that players are expecting a new entry soon. Rockstar Games is officially working on the next entry in the franchise, but little is known right now beyond speculation. Even so, with how very little we know right now, we can make some educated guesses thanks to some rumors from reputable sources that are leaking, giving us a glimpse of what to expect from GTA 6.Right now, there's no telling when the release of GTA 6 will be. Tom Henderson and Jason Schreier, a reputable industry insider and journalist respectively, have both indicated that the game is likely several years away, with a possible 2025 window.What is GTA 6?GTA 6 is the abbreviated name of the next Grand Theft Auto game, which will almost certainly be named Grand Theft Auto 6. Rockstar Games officially announced that development on the game was happening in February 2022, though of course it has been in development for years before that soft reveal.Rockstar Games has developed some of the best Xbox games available, with the studio's most recent original game, the 2018 Western epic Red Dead Redemption 2, selling over 40 million copies since launch.Past Grand Theft Auto games have been third-person games with a huge emphasis on building an empire of crime and allowing players to do different jobs and pull heists in a massive, open-world sandbox setting. The Xbox One, PS4, and PC ports of Grand Theft Auto 5 introduced new features, including a first-person mode as well, something we'd expect to see stay in the next game, especially since this first-person mode carried over into the aforementioned Red Dead Redemption 2.Where is the GTA 6 map located?Nothing has officially been announced yet, but we've got an idea of where GTA 6 is taking place. According to well-known Battlefield leaker Henderson, GTA 6 will be set in a modern day Vice City, a city that is based on Miami and the setting for the 2002 title Grand Theft Auto: Vice City. Schreier from Bloomberg notes that this information lines up with what he has heard, with VCC's sources also backing this up.Is GTA 6 an MMO?We don't know, but there will probably be some MMO-type elements. Henderson has indicated that the map will evolve and change over time, in line with how the map of Fortnite has radically changed across various updates. This is also in line with GTA Online, which has added new areas throughout various content updates and expansions across its long lifespan.With that in mind, it's unlikely the game will be a "true" MMO and will almost certainly allow players to enjoy the game by themselves if they want, as Rockstar Games has a long history of providing blockbuster singleplayer experiences.Who are the GTA 6 characters?We don't know who the main protagonist(s) of GTA 6 will be yet. Some Rockstar Games opt for a single main character, while Grand Theft Auto 5 allowed players to alternate between three different leads: Franklin Clinton, Michael De Santa and Trevor Philips. It's possible we could get just one main character again like past games, or multiple protagonists like in Grand Theft Auto 5. We'll have to wait and see what Rockstar opts to do here.Will GTA 6 connect to the new version of Grand Theft Auto 5?Rockstar Games is publishing a new version of Grand Theft Auto 5 for the Xbox Series X, Xbox Series S, and PS5. It was originally scheduled to launch on Nov. 11, 2021, but was since delayed to March 15, 2022, with Rockstar Games announcing the delay during the September 2021 PlayStation Showcase.This version of the game comes with 4K and 60 FPS modes, alongside faster loading by tapping into the consoles' ultra-fast internal SSDs, alongside other features such as using the PS5 DualSense haptic feedback and adaptive triggers. There will also be a standalone version of GTA Online that's free for PS5 owners to keep if they redeem it within the first three months.It's possible that Rockstar Games is using this port to explore features of the newest consoles and that different features will be carried over into GTA 6, but this is only speculation.What platforms is GTA 6 coming to?Source: Rockstar Games (Image credit: Source: Rockstar Games)Given how far out this game is and taking into account the patterns of past Rockstar Games, GTA 6 is almost certainly coming to the Xbox Series X, Xbox Series S, and PS5. A PC version will also absolutely happen, but Rockstar may choose to port the game to PC sometime after the initial console launch, as this is something of a pattern for the developer, with the company waiting and porting both Grand Theft Auto 5 and Red Dead Redemption 2 to PC around a year after the console versions. | News|Jan 15, 2003See all 8 photosProbably one of the most anticipated games in recent memory, GTA: Vice City, does one thing and it does it well. It kicks ass. And no, it's not just a GTA3 engine spruced up with a new map, soundtrack and theme. It is oh so much more.Vice City is set in the glamorous '80s—key words: Miami Vice. Oh, I guess Scarface also had some influence here (then again, that's obvious from every game in the GTA franchise). The good part of this is most of us can relive some of those wonderful years of our lives where we still feared the big "red" threat, Reaganomics still worked (sort of) and cocaine was the drug of choice.For the most part, Vice City relies heavily upon the GTA3 engine to run everything. However, there are several improvements worth noting. First of all, there are no longer myriad viewpoints to choose from. It would appear that the classic, top-down perspective and the cinematic view weren't necessarily the most favored views.Also, there are more weapons to choose from, but they're classed, meaning that if you're holding a hammer, then you have to drop it in order to get the chainsaw, or if you have the flamethrower, you need to drop it in order to get the minigun. Handheld weapons include the classic baseball bat, a hammer, machete, meat cleaver, screwdriver, katana and the mighty chainsaw (the only thing that would make this better is if you could don a hockey mask along with the chainsaw). There are also a couple of revolvers, a semi-auto handgun, an Uzi, MAC-10, a TEC-9, a police baton, remote-detonated explosives, a minigun, an automatic shotgun, a rocket launcher, a laser-guided sniper rifle and more.Another cool aspect of Vice City is your character Tommy can change clothing throughout the game. Also, when you have enough money in your pocket you can purchase buildings (a.k.a. save points). This is helpful, because sometimes it's pretty tough to get back to the original save point when you've got something like four stars on your wanted level. Speaking of which, the po-po has gotten considerably smarter in this iteration of GTA. My god, it's almost as if they want to catch you, but are trying to save their own asses, too. Weird...Of course, the most important thing in Vice City is that you now have access to motorcycles and the ability to fly helicopters and airplanes. Quite frankly, the motorcycles are the best addition to the game. First off, you can fire in all directions from the motorcycle when committing a drive-by. You can also stand up on the bike and pop wheelies. A good side effect of the motorcycles is crashing them. Somehow, there's something diabolically satisfying about crashing a motorcycle and watching Tommy flip and flop down the road, ending in a sickeningly disfigured heap at times.While Vice City is a vast improvement on its predecessor, it does not stray too far away from the formula that made GTA3 such a hit. Roaming about aimlessly is still just as rewarding as completing all of the missions. There are enough hidden little treasures throughout the game that make it rewarding to do more than just play through the entire plot.And speaking of playing through, there's a lovely little golf course where you can steal golf carts and beat people with their own golf clubs. There's an addition to the side missions (i.e., vigilante police car missions), where you deliver pizzas. Yep, the glorious career of all coming-of-age '80s teen movies has made its way into Vice City.So here's the low down. Vice City must be a part of your collection. If you don't have a PS2, then you're quickly falling into the minority. Oh yeah, GTA: VC will not come out for PC (or any other platform for that matter) until 2004. Other than that, the only drawback to Vice City is that the day needs an extra hour or two. One last thought: In the first Grand Theft Auto, there were three cities: Liberty City, Vice City and San Andreas. Does this mean a GTA: San Andreas is coming out?Share on FacebookShare on Twitter
