## 2018 audi a5 cabriolet owners manual

The Audi Online Owner's Manual features Property Manuals, Radio and Vehicle Navigation Audi of model year 2008 for current. To see the specific manuals of your vehicle, indicate a valid 17-digit VIN (car ID number). The Audi A5 model of the German automobile manufacturer has been in production since 2007. It was sold in a variety of different styles and garnishes, including the high-performance RS5 version. Examples on the road include a two-door cup, a two-door convertible and a five-door/Sportback elevator. Under the car is the same chassis used by model A4, although this model is slightly longer. The engine options are abundant for the A5 and range from a modest 1.8-litre gasoline to up to a 4.2-litre V8 performance. Modern Audi Examples A5 are in its second generation of design and feature smaller engine displacements with even more power thanks to technological advances. The transfer of energy to the front or to the four wheels is made by a range of manual, automatic or semi-automatic transmissions in the last versions. Inside the car there is an amazing amount of modern technology that goes from a touchscreen infotainment system on the dashboard to autonomous driving systems. To learn more about drivers-aids, the comfort/security features and maintenance check the appropriate Owner's Ahenc manual for your model on this page. The first AUDI A5 (AU484) - a variant of the AU4 A4 (B8) audi generation in a Coupe body. The launch of the A5 marked the return of the Audi to the Mission Coupe market, in which the Audi was represented until 1996 by the Audi Coup   (B3 / B4), based on the Audi 80. The Audi A5 debuted in the new Audi MLP (modular longitudinal platform), which was planned as the basis for the new Audi A4, A6 and A8 generations. The platform is noticeable in which part the position "hanging" from the engine in front of the front axle, now the engine is located behind it, this    designed to achieve a more uniform distribution of weight (52:48) between the front and rear axles. Audi A5- the third coupon    of the Audi line, together with the second generation TT and R8. The A5 loaned one healthy    range of elements of the Nuvolari quattro concept. The A5 debuted with an FSI 3.2 litre 3-hp V6 engine. (195 kW) The third of December of 2008 introduced the A5 and the S5 into the Cabriolet (type AU485), the autohands debuted in the Detroit Auto Salon in 2009. The A5 Cabriolet replaced the convertible Audi A4. In September 2009, the five-door hatchback A5 Sportback was presented in the Frankfurt Auto Show. In July 2011, the Audi introduced an improved version of the A5, which debuted the 5th November of 2011. The second generation The second generation Audi A5 (ndice F5) opened at the beginning of 2016. The car is    Building on the MLB-Evo platform along with the new Audi A4. Audi RS5's sport modification will debut in 2017. Audi A5 Available 2016    an articulated coupon version    A5 The Audi A5 coupon version    looks very elegant, and both models (coupon    They are fun to drive and behave confidently on the track. The car has a flexible control that transforms the driving process into entertainment. The journey to    confident and constant at the same time. The elegant exterior stylization of the shape and finish as well as the interior of the fine work- the attractive features of Audi A5. The flexible direction of Audi A5 and the fast reaction to steering movements makes the ride a complete pleasure. The car deviations are almost invisible in curve, and the small effort needed to turn the wheel at low speed increases when determining the ideal driving mode for you at high speed. The whole traction system works clearly. When tested on the road, in the conditions of Audi A5 demonstrated in the limits of its capabilities and security at high speeds. In addition   , the car showed good speed when maneuvering in critical situations, but the acute skidding in corners reduces the self-confidence of drivers. Audi updated the A5 for model year 2021. The car received a new standard engine with 201 hp, which accelerates to 100 km / h in 6.4 seconds. As of 2021, all Audi A5 equipment is equipped with Apple CarPlay.
