Tips for your Professional Review

Eur Ing Ian Jenkinson
BSc MBA FICE FIMechE MCM1

Information available #2

Everything is up-to-date !

A sound knowledge of legislation, hazards and safe systems of work. 35. Ability to manage quality processes. A sound knowledge of statutory and commercial frameworks within own area of responsibility. 10. Ability to deal with diversity issues. Browse NCE archives for information 28. 39. Information available #4 9. Ability to discuss ideas and plans competently and with confidence. Health Safety & Welfare (MPR) A. Written assignment should not be a surprise, we derive it from your work 48. I will cover:- • ALL candidate reviews TPR/MPR/CPR • I will NOT cover:- • the educational base (Degree) or routes (self managed IPD) • For educational & route queries contact ICE simon.hassan@ice.org.uk 3. CPD is NOT a Google search 24. Information websites • Its all on line at: • www.ice.org.uk • www.ice.org.uk/myice • www.virtuallibrary.org • Or contact the Membership Development Officer • simonhassan@ice.org.uk 40. Facts about the Review • Every candidate is judged on their own merits • It's about your experience and ability • Its about your performance on the day 5. Support of ICE activities. Disclaimer Whilst I have made every effort to ensure that the guidance given throughout this presentation is correct, the views expressed and the material provided are based on my personal experience and is offered in good faith but without prejudice. You must work for a MAJOR company 3. Everything is on-line 12. Engineering Application (MPR) A. Commitment to current and future CPD of self and others. Ability to identify the limits of personal knowledge and skills. Professional Commitment (all grades) A. Sustainable Development (MPR) A. NOT what have you attended 19. Tips for your Professional Review Eur Ing Ian Jenkinson BSc MBA FICE FIMechE MCM1 2. A personal commitment to professional standards, recognising obligations to society, the profession and the environment. D. Information available #3 8. Information available #2 7. Its what have you learnt ... • The purpose of the Written Assignment at CPR and CPRP is to test your ability to marshal your thoughts and to present them logically and clearly. 34. Ability to plan for effective project implementation. We always look for a plan 18. Online CPD app 16. B. Lots of CPD material is online 21. Use indexes and appendices 42. Information for your boss... Engineering Knowledge & Understanding (MPR) A. Ability to manage the planning and organisation of tasks, people and resources. A sound knowledge of sustainable development best practice. The written assignment • The purpose of the Written Test at MPR is to ascertain that you can produce straightforward documents without assistance from others. 38. This is what a submission looks like 41. Judgement & Responsibility (MPR) 33. The reviewers trick & trip you up 4. Ability to manage risks. The opinions are neither intended to be taken as specific advice on a particular issue, nor to represent definitive Institution policy. 36. 30. Ability to identify, review and select techniques, procedures and methods to undertake engineering tasks. PDF briefings as free downloads 23. Ability to exercise sound independent engineering judgement and take responsibility. Ability to communicate well with others at all levels. No person should act, or refrain from acting in any particular matter without taking appropriate advice before doing so. Understanding and compliance with the ICE Code of Conduct. The attributes we look for 1 Engineering Knowledge & Understanding 2 Engineering Application 3 Management & Leadership 4 Independent Judgement & Responsibility 5 Commercial Ability 6 Health, Safety & Welfare 7 Sustainable Development 8 Interpersonal skills and Communication 9 Professional Commitment 29. The reviewers analyse your submission 43. 1. Commercial Ability (MPR) A. Interpersonal Skills and Communication (MPR) A. The presenter expressly disclaims liability in respect of anything done, or not done, in reliance in whole or in part on any information in this presentation. ICE publications 11. Information available #1 6. ICE 3001A, 2A, 3A, 4A & 5A are all online (note the 'A' suffix) 13. 37. Personal and social skills. Ability to manage teams and develop staff to meet changing technical and managerial needs. We think about issues to explore in the review, based upon your work 45. Ability to manage engineering activities that contribute to sustainable development. Free journals & Virtual Library 22. We don't look for experts 46. Ability to use a sound evidence-based approach to problem solving and be able to contribute to continuous improvement. Use any system (this is MyICE) 17. There is a failure rate 4. A. Editorials provide a summary 27. Ability to manage health, safety and welfare within own area of responsibility. You must have worked on a MAJOR project 2. Be aware of new things in your field 25. If you haven't read the articles at least know that they exist 26. Management & Leadership (MPR) A. 32. Ability to implement design solutions and contribute to their evaluation 31. Ability to maintain and extend a sound theoretical approach to the application of technology in engineering practice. We check that your experience matches your opportunities 44. Ability to contribute to the design and development of engineering solutions. CPD isn't about courses 20. Myths about the Review 1. C. Ability to prepare and control budgets. We move quickly in the review 47. Everything is up-to-date ! 14. Documentation & 'rules' 15.
