At the beginning of the game you are dropped off at an empty town, where dangerous virus made in course of military experiments escaped from the lab. Most of the inhabitants were killed, and the rest have become zombies. You must survive as long as it's possible in this city. An wide arsenal of weapons like AK-47, shotgun, pistol and others is there to help you out. Destroy monsters and any obstacles like boxes, statues, windows, that stand in your way.Game features:Great graphics6 weapon types The zombie infection continues to capture the continents ... It is infinite, it captures everything... Now, three brave men must work together with the risk of their life in the wilds of the Brazilian jungle, mines, secret laboratories and so on, to eradicate the source of the infection. Survive zombie attacks of an unprecedented scale, including the infected bats, sharks and other creatures. Use stealth and cunning or use the new weapons, including a grenade launcher, grenades or knives to face the zombie, jump to the boat for a dramatic escape from the teeming crowds of these creatures ...
