business plan gratuit

Ce modèle est une version simple mais complète, créé par blogentreprise.net selon le © CSOEC / Commission des entreprises / Comité de la création d'entreprise / sept2011.

Un modèle est un bon support pour commencer, mais vous savez, vous ne pouvez pas seulement faire un plan sans détails, l'imprimer, et le présenter à une banque. Chaque entreprise est unique, et chaque entreprise devrait avoir son propre plan aussi. Selon votre entreprise, vous pouvez adapter ce plan facilement à votre projet.

Blogentreprise.net peut vous y aider. Avec [Blogentreprise.net](http://blogentreprise.net), vous pouvez créer simplement et facilement un plan à la hauteur de votre business, avec toutes les tables financières et diagrammes qui vont avec. Vous serez aussi capable de convaincre n'importe quel banquier avec votre business plan.

Si vous avez eu ce plan sans être enregistré, connectez-vous sur <http://blogentreprise.net> pour recevoir un mini-cours gratuit qui vous permettra de rédiger en tranquillité toutes les parties de votre plan en vous inspirant d'un modèle de plan qui a fait ces preuves conçu par un prestigieux bureau de consultant.

Vous verrez comment :

- Utiliser les informations de l'étude du marché pour écrire votre plan marketing.
- Rédiger chaque session du business plan.
- Tracer les diagrammes pro pour illustrer votre plan.

Washington, D. C. 57245

Mira Carlson
Project Manager
BioFunction Developments

After reviewing BioFunction Developments' Technical Consulting Request for Proposal, CyberFrame LLC would like to bid on the project. We have attached a proposal detailing the expertise and services we can offer. Please see, at the end of this proposal, a list of clients we have helped with similar projects. Thank you for the opportunity to work with your company.

SUMMARY

BioFunction Developments would like to integrate their current research and development (R&D) with new technologies. CyberFrame LLC can manage and consult on this project by offering our own expertise, and training current employees.

PROJECT SCOPE

To integrate with 3.0 technologies for clients, internal use, and marketing.

PROJECT OBJECTIVE

To roll out a new 3.0 presence by July 2014.

GOALS

Goal: Create an interactive closed portion of the website (mobile accessible) for internal project management.

Strategy: Use internal programmers to build new back-end.

Goal: Create an app to market research to clients and the public.

Strategy: Use a highly rated app-developer we have previously worked with, to create an app that will push new research and projects in development to clients. The app will have a smooth, user-friendly interface.

Goal: Better social media and simple ad presence for research (targeted to students, other researchers and potential clients).

Strategy: Train in-house designer to target these markets and work with social media.

Dear [Mr./Mrs./Ms.] [Manager's Name],

Your company recently advertised on the [Website's Name] website for a Head Security Officer. I'm excited to apply for this position as a highly motivated and skilled professional who is proficient in devising safety, security, and loss prevention procedures, and enhancing existing company assets.

I am skilled in converting conflict scenarios into positive outcomes through effective problem-solving and complaint handling skills. Currently employed with Carter-Williams Hospital as the Head Security Officer, I am responsible for monitoring and ensuring the safety of the 400+ room hospital compound. I have successfully managed the scheduling for the security team, which has led to an average payroll saving of \$4,000.

I am pleased to state that my experience in handling emergency situations and theft prevention is above par with your expectations. Additionally, the training that I have received has provided me with the knowledge to deal with unforeseen threats. To further support your team requirements, I can bring an enthusiastic and persuasive to this position. I take direction well, but am also capable of working independently.

My resume is enclosed for your consideration. I firmly believe that I would be an asset to your team and would very much appreciate the opportunity to discuss how my experience and certifications could contribute to your firm.

Thank you for your time and consideration.

Sincerely,

[Name]

I INTRODUCTION
