CUSTOMER TESTIMONIALS I ordered a Quasar remote from you on Monday, Dec. 1, and on Friday, Dec. 4, it was in my mailbox! I just can't say enough good things about your company. I am telling all my friends! And I just may have another order for you very soon as one of them is going to give me the Model and Serial numbers of their Hitachi big screen TV for a remote replacement. It will probably be Monday, Dec. 7. Keep up the good work! Gary H. Ona, WV I have received my remote and I am very happy. I was a bit skeptical of the legitimacy of your site when I ordered, however I realize I was wrong. It looks to easy (to order just any remote) and too simple (not a sophisticate site).
