The government is conducting an idea to whether lower the minimum legal drinking age in the United States or not. Many Americans forbid the idea of legalizing the drinking age so that it would be profitable to the businesses. Likewise, there have been many advantages and disadvantages of why should the government allow young adults drink under the age of 21. To prevent this issue, many Americans have provided reasoning that will support the idea of keeping the minimum legal drinking age where it is now. The government should maintain the minimum legal drinking age in the United States at the age of 21. Lowering the drinking age to under 21 can cause young adults to be medically irresponsible. For example, young adults under 21 years old can violate properties or other valuable items that might cause them penalties because of underage drinking law. People at any age who has had alcohol and other drug problems often diagnosed with severe treatments and discrimination (Youth Facts). Youth Facts claims that people at any age have been determined with some type of treatment when they were overdosed with alcohol. In addition, drinking under the age of 21 can severely cause major health problems among themselves and to others. On the other hand, adults aged 18 have their own rights to make a decision to whether consume alcohol or not. For example, once children turn 18 years old, they are mature enough to make their own decisions. Cloud states, "After all, in almost every other legal and cultural respect, you're an adult at 18. You can vote, adopt

children, sign up for Iraq or become a commercial pilot at 18. Treating alcohol differently helps turn it into a holy grail of adulthood.” (Cloud).
