The screenshot shows the EssayPro website homepage. At the top left is the EssayPro logo and navigation links: "How To Order", "Reviews", "About Us", and "Write My Essay". At the top right are links for "DBA: EPRO", "Log In", and "Sign Up". The main banner features a student sleeping at a desk with the text: "WRITING SERVICE AT YOUR CONVENIENCE", "You - Send us your homework", "We - Do it all for you", and "Grab your original paper for just \$10 per page with a free plagiarism report included". A "Write My Essay!" button is present. A "Calculate the price" calculator is overlaid on the right, showing options for "Writing", "Rewriting", and "Editing", with "Writing" selected. The calculator also shows "Essay (any type)", "College", "2 weeks", "1 page / 275 words", "Double spaces" selected, and a price of "\$11.4" with a "Write My Paper" button. Below the banner, it says "NO MORE SLEEPLESS NIGHTS... 100% PLAGIARISM-FREE ESSAYS. ANY TOPIC OR DIFFICULTY CAN BE HANDLED!". At the bottom, there are three review sections: "EssayPro Reviews" with a 4.9 rating, "ResellerRatings" with a 4.9 rating, and "Sitejabber" with a 4.8 rating.

PHASE ONE

Question I:

Hewlett-Packard (HP) Development Company was formed in the year 1939. HP headquarter is situated in Palo Alto. Hewlett-Packard is one of the largest information technology (IT) firms in the world. The Chief Executive Officer of HP is known as Leo Apotheker (Hewlett-Packard Development Company, 2011). HP is a company that manufactures and assembles personal computers, laptops, printers, and computer accessories. HP also provides software, printer and computer installation services. HP has penetrated in more than one hundred and seventy countries from different continents. It specializes in exploration of technology to provide services to both individual people and companies through solving their challenges and providing solutions to their problems. It provides technological infrastructure and products that include high technology supercomputers and handheld gadgets such as Personal Digital Assistants (PDA).

HP mainly concentrates on three major technology sections that have the energy to transform HP's consumers' enterprises and personal lives. They include information:

systems, environmental issues, and the digital world. Moreover, it has three working groups which steer the company's management and leadership in main technology areas and they include: enterprise business products that deal with software engineering and networking skills; printing and images such as inkjet, printing products and laser-jets; and finally personal systems which include personal computers, computing services and installations. HP struggles to be an asset to the society in every community and the world at large.

HP has been exporting one million and above printers every week, it also ships more than forty eight personal comp...
