

Ethical Analysis of Online Gambling

The screenshot shows the EssayPro website homepage. At the top, the logo 'ESSAYPRO' is on the left, and navigation links 'How To Order', 'Reviews', 'About Us', and 'Write My Essay' are in the center. On the right, there are links for 'DBA: EPRO', 'Log In', and a blue 'Sign Up' button. The main banner features a student sleeping at a desk with a cup of pens. Text on the banner includes 'WRITING SERVICE AT YOUR CONVENIENCE', 'You - Send us your homework We - Do it all for you', and 'Grab your original paper for just \$10 per page with a free plagiarism report included'. A 'Write My Essay!' button is present. A 'Calculate the price' widget is overlaid on the right, showing options for 'Writing', 'Rewriting', and 'Editing', with 'Writing' selected. It also shows 'Essay (any type)', 'College', '2 weeks', '1 page / 275 words', and 'Double spaces' selected, resulting in a price of '\$11.4' and a 'Write My Paper' button. Below the banner, three review widgets are shown: 'EssayPro Reviews' with a 4.9 rating, 'ResellerRatings' with a 4.9 rating, and 'Sitejabber' with a 4.8 rating.

Ethical Analysis of Online Gambling Introduction Open up your email over a long weekend and you'll likely find a plethora of online casino advertisements. "Welcome Bonus up to \$150 free!" Ask the traditional land based casino gambler on whether he would gamble online and his first reaction would likely be "Are you nuts?" When gambling at land based casinos, games are likely to be fair because the consequences of cheating by casino operators are disastrous. Casinos found to offer rigged games will lose their gambling licenses permanently. Land based casino gamblers are also virtually guaranteed that any winnings they accumulate will be paid out. However, Internet casinos are generally unregulated and offer neither of these guarantees. Nevertheless, online gambling has garnered a huge global audience. Online casinos cater to the lucrative market of stay-at-home bettors who only need a bank account and Internet access in order to participate in online gambling. However, online gambling presents unique ethical problems to society. Background The Internet has opened the gambling industry to a whole new range of consumers. Most states in the United States have some form of legal gambling, ranging from state lotteries to bingo. However, in order to participate in the more exotic casino games such as blackjack, poker, and slots, you used to have to travel all the way to Nevada, Indian reservations, or gambling boats. Today all you have to do is install casino software on your computer and you can experience online gambling in the comfort of your

own home. Some online casinos offer games on web sites, so you don't even have to install anything. Gamblers no longer need to fly to Las Vegas in order to play slots..... middle of papertte,
