The screenshot shows the EssayPro website homepage. At the top left is the EssayPro logo and navigation links: "How To Order", "Reviews", "About Us", and "Write My Essay". At the top right are links for "DBA: EPRO", "Log In", and "Sign Up". The main banner features a student sleeping at a desk with a cup of pens. Text on the banner includes "WRITING SERVICE AT YOUR CONVENIENCE", "You - Send us your homework We - Do it all for you", and "Grab your original paper for just \$10 per page with a free plagiarism report included". A "Write My Essay!" button is present. A "Calculate the price" calculator is overlaid on the right, showing options for "Writing", "Rewriting", and "Editing", with "Writing" selected. The calculator also shows "Essay (any type)", "College", "2 weeks", "1 page / 275 words", "Double spaces" (selected), and "Single spaces", resulting in a price of "\$11.4" with a fire icon. A "Write My Paper" button is at the bottom of the calculator. Below the banner, there are three review sections: "EssayPro Reviews" with a 4.9 rating, "ResellerRatings" with a 4.9 rating, and "Sitejabber" with a 4.8 rating.

While girl friends are sitting around fireplaces gossiping, sharing recipes and talking about the latest fashion trend, boys are exchanging opinions on the new administration and forming great friendship that may well impact the future of the whole country. History has witnessed some of the greatest [friendship](#) between men. As a result, their friendships have been idealized as the embodiment of bravery and loyalty. In comparison, those cozy nights girls spends wrapped in the bonding of sisterhood seems both trivia and naïve. Although these stereotypes about men's or women's friendship are not completely true, there is no doubt that significant differences exist between friendships among men and friendships among women. While sisterhoods are intimate, committed and strict, men's friendships are more practical, segmented and casual.

It is not abnormal for a [woman](#) to pick up the phone and call her best friend the minute she gets home. This simple action illustrates precisely what woman expects of her friends --- emotional support during times of distress. Having had a stressful day at work or a fight with her spouse, woman will go to her friends for comfort and advice. After a shared cup of hot cocoa or just a ten-minute chat on the phone, females feel assured, calmed and less overwhelmed. The bond of sisterhood is usually forged on the exchange of the "deepest and darkest secrets". During those whispers on sleepovers, girlfriends share not only their

biggest wish for Christmas, but also their secret crush at school. This sort of intimacy is precisely what women look for when they form friendship.

On the other hand, the friendships between men are more often based upon shared interest than on closeness. Although it is true that S...

Everyone messes up sometime, don't they? In keeping their friendships casual, men are not likely to fight over small issues. And trivial matters will definitely not affect their friendship.

Although women tend to be more personal and emotional with their friends, friendship among men and friendship among women are still basically the same. They are both planted by the sharing of things between individuals, nurtured by the time spent together, and may grow and bloom into beautiful blossoms that please the souls of those involved. Whether to provide emotional support or mutual gain, friendships are precious gifts in our lives, and we should take special care to treasure them.
