In Charles Dickens', *A Christmas Carol*, Ebenezer Scrooge lives as the unhappy owner of an accounting office who mistreats those around him. Scrooge has not lived life in a satisfying manner and now resides in isolation, in no hurry to right the wrongs of his past. Through the intercession of three ghosts, Scrooge journeys to Christmases of the past, present, and future and transforms from a man of greed into one of care and compassion. In the beginning of the story, Dickens contrasts the harsh personality of Scrooge with, "Gentlemen of the free-and-easy sort" (Dickens 31). Scrooge's treatment of others is not easy to overlook, but he must seek forgiveness and set himself free. *Home Alone* remains to this day a Christmas time classic in which an eight-year old boy, Kevin McCallister, remains at home for Christmas while his family vacations in France. Kevin stands as one member of the sizeable McCallister family. Being the youngest of several children, he gets picked on all of the time and is not shown much respect. When preparations begin for the family vacation, Kevin gets punished and reveals his "wish" to live alone, free of the family chaos. His wish becomes a reality when he oversleeps as his family heads for the airport. During the week, Kevin is free to do as he pleases, but he soon misses his family. Two burglars attempt to raid the McCallister home and he is left to defend himself (Hughes). Kevin enjoys the newfound freedom that this lifestyle has to offer, but he later discovers the absence of love that only his family can provide. The bible has teachings that can be
