Every day thousands of people are turning to a controversial practice for solving their health problems. This unique “practice that ends the individuals life that is suffering from a terminal illness, disease, or an incurable condition by the means of lethal injection” (Emanuel) thus ceasing the persons life is called Euthanasia. Euthanasia is also referred to as a mercy killing, which is, “the act of putting to death painlessly or allowing to die, a person or animal suffering from an incurable, especially a painful, disease or condition”(Goel). The practice of Euthanasia has a long history that dates back centuries ago. However, it was not until 1906 when the first bill to legalize Euthanasia popped up on American soil. For years on end, American legislatures have been turning down bills of legalizing Euthanasia in America. Through the years 1937 to 1991 Nebraska, New York, Washington, and [Oregon](#) have been the few states that have tried to legalize Euthanasia, but have been promptly rejected or turned down and prevented from taking effect.

Today in America, Euthanasia is illegal. In fact, it is almost illegal in every country of the world except for a few places. Euthanasia is legal in the Netherlands and the state Oregon in the United States. These are the only two places in the world that have the correct laws that specifically permit the practice of Euthanasia and assisted [suicide](#). However, the state of Michigan was indeed very close to passing a
