In order for one to keep their political status and please their country, there are some qualities, traits and skills required. For some, political skills may be a natural or intuitive trait. For others, it feels uncomfortable and takes excessive effort. In either case, political skills must be practiced and honed in order to reap its benefits. For instance, one may naturally possess skills such as listening to others, communicating and commitment. On the other hand, one may not possess those skills and it may require excessive effort to possess those skills. Prince Hal realizes that he must learn to possess these characteristics if he wants to be a successful king. Henry IV, Part 1 by Shakespeare deals with the struggle of King Henry IV to maintain his control of the English throne which he usurped from Richard II. The play deals with the conflict between King Henry IV and his son, Prince Harry, and their tense relationship. King Henry is the ruling king of England. He is worn down by worries and guilty feelings about having won his throne through a civil war. Hal, the Prince of Wales who demonstrates his ability to manipulate others to complete his selfish goals. Hal is an effective leader because unlike his father, his mastery of language shows that he will be a virtuous ruler, able to understand lower and upper class and manipulate them to believe his words. Hal is the Prince of Wales and heir to the British throne was able to manipulate both the nobles and the court in order to satisfy his needs. Firstly, his ability to speak confidently between the lower class and upper class

allowed him to gain authority of many things. In the beginning of the play, Poinciville tells Hal and Falstaff there is a robbery planned for..... middle of paperder to maintain success. King Henry showed that he is restricted to one language which resulted him to not gain the lower class power and it then lead him to focus on his political status. On the other hand, Hal presented himself to the viewers as a friendly character, yet he sustained to manipulate and lie to others to achieve his goals. Henry IV n, Part 1 presents the idea of political power and the different characteristics leaders follow. The lesson for audiences, then, is to develop relationships with different people who will expand one's area of inspiration and the ability to advance success. One can learn from the mistakes of King Henry and remember to be visible and properly positioned, so society can see one's strengths and talents. Works Cited Shakespeare, William. Henry I, part 1.
