### How Feminism Is Portrayed in Susan Glaspell's Trifles

Susan Glaspell's play, *Trifles*, may not be the best story to read and it may be confusing to some people, but it teaches the reader a great deal about how women were treated and how women were viewed during the early 1900's. When analyzing the play from a feminist standpoint, Mrs. Wright's motive for killing her husband becomes more clear and understandable to why she did it. Susan Glaspell gives the reader an idea of how men and women were treated during that time. In the next few paragraphs, I will use Susan Glaspell's feminist approach to demonstrate how Mrs. Wright's murdering of her husband is completely justified.

If you were to ask someone if killing another person is justifiable, most of your answers would probably be a definite no and the occasional maybe depends on what they did, and I would have to agree with the people who say depends on what they did. No one ever kills anyone without a motive unless you are insane, but that is a police officer or detectives standpoint on the situation. Now from a Christian standpoint, the belief is that taking a life is a sin and only God can take a life. In the case of Susan Glaspell's character Minnie, learning the past of her and her and her husband's relationship can help the reader realize why Minnie killed her husband. If the reader was to go through this process, then it creates sympathy for Minnie and people feel sorry for her, just like Mrs. Hale and Mrs. Peters did

throughout the story.

If the reader was to analyze the title very closely, then the reader would realize that the title "Trifles" is the perfect example of how women were treated by men in this play. In the time period that the play resembles, back then men wo...
