

Foundations of Academic Writing (FAW)

The screenshot shows the EssayPro website homepage. At the top left is the EssayPro logo and navigation links: "How To Order", "Reviews", "About Us", and "Write My Essay". On the top right, there are links for "DBA: EPRO", "Log In", and a blue "Sign Up" button. The main banner features a student sleeping at a desk with a cup of pens. The text on the banner reads: "WRITING SERVICE AT YOUR CONVENIENCE", "You - Send us your homework", "We - Do it all for you", and "Grab your original paper for just \$10 per page with a free plagiarism report included". A blue "Write My Essay!" button is present. A "Calculate the price" calculator is overlaid on the right, showing options for "Writing", "Rewriting", and "Editing", with "Writing" selected. It also shows "Essay (any type)", "College", "2 weeks", "1 page / 275 words", "Double spaces" (selected), and "Single spaces", resulting in a price of "\$11.4" with a fire icon. A blue "Write My Paper" button is at the bottom of the calculator. Below the banner, there are three rating sections: "EssayPro Reviews" with a 4.9 rating (5 stars), "ResellerRatings" with a 4.9 rating (5 stars), and "Sitejabber" with a 4.8 rating (5 stars).

Aptitude plays an important role in learning. If you have it, the job becomes simple. If you don't, the final outcome is always doubtful. Some tasks, like playing a musical instrument, require a very high degree of aptitude. The average person would face great difficulty in learning such a vocation. Other, more mundane but crucial ones, like driving a car, cooking or [writing](#) can be learnt by most people with a reasonable level through training. English composition was never my choice subject and [essay](#) writing was not exactly the most joyful assignment at the high school but there were indicators that writing skills would play a crucial role in my future life, irrespective of which career I chose. Take, for example, Anthony Balderrama's advice. "We spend more time writing in our professional and personal lives than we probably imagined we would back in school. What you may not realize is that these written exchanges can boost your career or hinder it, depending on how you treat them."(Balderamma, 2009). Taking up Foundations of Academic Writing (FAW) I and II at the university was, therefore, a carefully thought out decision. The FAW syllabus tackles different aspects of academic writing in a systematic way. There is measured emphasis on different genres of academic writing, and there is lots of repetition. As a result, slowly but surely, change starts to happen. Now, as the course reaches the final stages, I can observe these changes in the quality of my writing and overall understanding of the subject. Writing an essay is no more the ordeal that it used to be in

the high school.

The planning aspect, which was totally absent before, is now the starting point for every assignment. The purpose of the plan is to give myself a direc...
