

Dreams in A Midsummer Night's Dream

The screenshot shows the EssayPro website homepage. At the top, the logo 'ESSAYPRO' is on the left, and navigation links 'How To Order', 'Reviews', 'About Us', and 'Write My Essay' are in the center. On the right, there are links for 'DBA: EPRO', 'Log In', and a blue 'Sign Up' button. The main banner features a student sleeping at a desk with a pen holder. Text on the banner reads: 'WRITING SERVICE AT YOUR CONVENIENCE', 'You - Send us your homework', 'We - Do it all for you', and 'Grab your original paper for just \$10 per page with a free plagiarism report included'. A blue 'Write My Essay!' button is present. A 'Calculate the price' widget is overlaid on the right, showing options for 'Writing', 'Rewriting', and 'Editing'. The selected option is 'Writing'. Below it, 'Essay (any type)' is selected. 'College' is selected for the level, and '2 weeks' for the deadline. The word count is set to '1 page / 275 words'. 'Double spaces' is selected. The price shown is '\$11.4' with a flame icon. A blue 'Write My Paper' button is at the bottom of the widget. Below the banner, three review sections are shown: 'EssayPro Reviews' with a 4.9 rating, 'ResellerRatings' with a 4.9 rating, and 'Sitejabber' with a 4.8 rating. At the bottom, a link is provided: 'LINK => <http://787787.com/writing-service?430846079>'.

Oprah Winfrey once said, "The best thing about dreams is that fleeting moment, when you are between asleep and awake, when you don't know the difference between reality and fantasy, when for just that one moment you feel with your entire soul that the dream is reality, and it really happened." But, what actually is a dream and what do dreams really have to do with one's everyday life? In essence, a dream is a series of mental images and emotions occurring during slumber. Dreams can also deal with one's personal aspirations, goals, ambitions, and even one's emotions, such as love and hardship. However, dreams can also give rise to uneasy and terrible emotions; these dreams are essentially known as nightmares. In today's society, the concept of dreaming and dreams, in general, has been featured in a variety of different mediums, such as literature, film and even music. While the mediums of film and music are both prime examples of this concept, the medium of literature, on the other hand, contains a much more diverse set of examples pertaining to dreams and dreaming. One key example is William Shakespeare's *A Midsummer Night's Dream*. While the portrayal of dreams, in general, plays a prominent role in Shakespeare's play, the exploration of many aspects of nature, allows readers to believe that dreams are merely connected to somewhat unconventional occurrences.

The reader's first impression that this play revolves around a recurring theme of dreams is

from the title. As the title suggests, dreams are going to and do, essentially play a very important role in this production because major events that occur within the play are all centered on and around the characters' dreams. A second clue regarding the role of dreams is found in ...

... middle of paper ...

...kens from her silent slumber, she falls in love with Nick Bottom, a man whose head was transformed into a donkey. Love and nature also play a huge part in the bizarre events that surround dreams and the concept of dreaming. While each of the four lovers dream of being with a particular significant other, bizarre circumstances, brought upon by Puck allow for chaos and obvious confusion. But, probably one of the most bizarre situations within this production is the lines uttered by Puck at the completion of the production. These lines really relate to the concept of dreams because they make the audience question the outlandish events that had previously occurred or indeed, whether they had even occurred at all.
