You have a little time, as the shower usually does not take place until the last trimester, but it is better to get the started sooner rather than later. Beverages are equally important and should not be forgotten. Once the shower has started to get underway, incorporate some fun activities such as spreading out white onesies on a table with fabric paint, rubber stamps, paint brushes and other bits and bobs available for guests to use as they design their own unique onesie for the new arrival.
